

Dear Member/s

**Scrip Code: 524576**

In terms of the listing regulations, we have to inform you about a development recently taken place. The company has received confirmation from the Ministry which has recommended SEIAA Authority to grant the company Environmental clearance to restart the plant at D-21/1, MIDC Tarapur Boisar, Dist. Palghar, Maharashtra for 241 Metric Tons per month (2,892 Metric Tons per annum) of various Dye Intermediates for which the application had been made.

This is for your information please.
